IMPORTANT

Each passenger must have a valid passport.

*** in Maldives & Thailand, due to local regulations & crew work market, we employ an additional crew member as cooks cannot be expected to fulfill the role of a sailor in those 2 countries.

As a result, if the cruise is full, one of the crew members may sleep in saloon, but discretion is assured. We operate our cabin charters this way for years in Maldives & Thailand, and still were able to offer full satisfaction to our clients as in other destinations.
